### Introduction

The California Society of Municipal Finance Officers (CSMFO) Board of Directors met via teleconference on Thursday, June 27, 2019. President-Elect Steve Heide convened the meeting and confirmed a guorum was in attendance at 2:19 p.m.

#### **Consent Calendar**

The Board addressed the consent calendar, which included May 2019 financials and minutes from the May 23, 2018 Board of Directors meeting. Director Jennifer Wakeman moved moved to approve the consent calendar, amending the minutes to reflect that Janet Salvetti was not present for the May meeting. Director Will Fuentes seconded. The motion passed unanimously.

### **SMA Staff Update**

Smith Moore & Associates (SMA) President Catherine Smith informed the Board that Melissa Manchester would be leaving SMA as an employee/partner, and opening her own firm. SMA would be contracting with her new firm to retain her as the Executive Director for CSMFO, so CSMFO should see no changes in overall service. There was some discussion regarding whether

this change affected the CSMFO-SMA contract. The Executive Committee will discuss and follow up with Ms. Smith as needed.

### **CSMFO App Update**

Director Richard Lee provided the Board with sample screenshots of the mock-up of the app pages and capabilities, with Shellyn Finstad from Apptology augmenting his report. The Board will need to determine if a template should be used for the screens, or if they should be custom. The working group will bring a recommendation back to the Board when that decision is necessary.

### **CSMFO Record Retention Guidelines**

Executive Director Melissa Manchester shared with the Board that there was a concern regarding information being removed from the CSMFO website archives, which led to the realization that CSMFO does not have a records retention policy. President-Elect Heide moved to request development of said policy from the Administration Committee, and Past President Margaret Moggia seconded. The motion passed unanimously.

### **Committee Reports**

#### Administration

Chair Kate Zawadzki reported that the committee is working on a bylaws review, an amended SMA contract to encompass the new magazine format, a contract extension with Probolsky Research and now a records retention policy.

### Career Development

Chair Laura Nomura provided an update on the status of working with GFOA to replace Don Maruska for 2020 regarding the CSMFO webinar program. She also shared that Irwin Bornstein would be the new instructor for the Intermediate Government Accounting course, and that the first call was had with Bill Statler to discuss the possibility of a certification program.

#### Communications

Chair Marcus Pimentel informed the Board that the committee would be sending out a request for responses to the Board for the July articles, asking how they recharge their batteries. He also noted that some articles would focus on the upcoming election.

### Membership

Chair Grace Castaneda shared that the committee was working with staff to create a student landing page on the website, and would be looking at conducting a member survey through the survey consultant, to have results in time for the Planning Session.

#### **Professional Standards**

Chair Jason Al-Imam reported that the committee would be working on a white paper in the fall to highlight the new GASB ruling.

### **Program**

Harriet Commons reported that the committee is meeting weekly, having received 113 submissions in response to the call for presentations.

### Recognition

Chair Sara Roush reported that Awards Force has been updated for the 2019-20 budget award year, and the committee is looking for budget reviewer volunteers.

### **League of California Cities Policy Committee Reports**

Marcus Pimentel reported that the Revenue & Taxation Committee had met and suggests everyone look on the League's website to review all the trailer bills for the California state budget.

### **Chapter Roundtable**

The Board welcomed Tyler Egerer as the new chair of the Northwest Chapter, and Kyle Johnson as the new vice chair of the San Gabriel Valley Chapter. Craig Boyer provided an update on the East Bay Chapter.

### **Director Roundtable**

Director Jennifer Wakeman commended the efforts of the student engagement group, sharing the intent of the group to request Professor Memberships be free of charge. There are ten student internships available on the CSMFO website.

Director Richard Lee shared that he would be attending a Peninsula Chapter meeting in July.

### **Officer Reports**

Past President Margaret Moggia shared that SMA staffers Amanda Smith and Zach Seals had conducted a chapter chair training for the chapter web pages and resources.

President-Elect Steve Heide informed the Board that he would be bringing an item on 2020 Annual Conference registration rates to the Board for approval in July. He is working on contracting with a facilitator for the Strategic Planning Session, and hopes to join a meeting of each committee in the next several months, prior to beginning making 2020 committee officers appointments. He also shared in President Joan Michaels Aguilar's absence that she was working on appointing the Nominating Committee, which would be meeting in mid-August.

### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Jennifer Wakeman

Ad Hoc Student Engagement Working Group Chair

SUBJECT: Professor Memberships

### **Background:**

In August 2018 the Board approved eliminating student membership dues in an effort to remove any financial barrier for student participation in CSMFO.

Subsequent to this, at the April Board meeting and the May Student Engagement Working Group meeting there were discussions about the Professor Membership classification, which was broken out from the Students/Professors classification with the elimination of student dues. The current professor membership dues are \$20 a year; however, no funds for this classification have been included in the current budget.

In scheduling campus visits, we have found that an interested professor can be the key to accessing accounting/finance clubs and, more generally, student groups who may be interested in municipal finance careers. Outreach to this group is going to be a significant factor in our future success on campuses.

Additionally, the Student Engagement Working Group conversation focused on the role of professors with regard to assessing the value of our programming and resources and in their ability to convey this value to students. Our group feels that a professor's experience with CSMFO will make them a great resource for students interested in municipal finance, especially if they choose to actively promote our organization.

#### **Recommendation:**

The Student Engagement Working Group recommends that the Board of Directors approve eliminating professor membership dues.

### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Matt Pressey, Technology Committee Chair

SUBJECT: Update on Technology Projects

### **Background:**

The Technology Committee has been working on several long-term projects and thought it would be helpful to provide a regular, written summary of progress. This is the second formal written update using this format.

### 1. Knowledge Base

<u>Purpose</u>: Replace the listserv with a modern solution. The ideal solution will provide question and answer threads and provide a mechanism for member surveys.

<u>Progress</u>: The Higher Logic application was selected, approved by the Board, has been purchased, and a core team has configured, tested and demoed. Final testing is now occurring by CSMFO leadership before releasing to the entire membership.

### Timeline:

July – Final testing by CSMFO leadership and design roll-out communication plan

Aug. - Final adjustments and customizations based on final testing

Sept. – Deliver to members with training guide and promotional video

### 2. Improve User Experience - Branded Email

<u>Purpose</u>: Now that we have created branded emails, we need to develop a one-page tips/guide on how to use the accounts, including transitioning to and from the next user.

<u>Progress</u>: SMA has notified the new branded email users and a project team has been assigned, discussions with users have begun, issues documented, and a user guide has been started.

### Timeline:

July – Project team will continue to talk with users and further develop tips/guide

Aug. – Review tips/guide at Aug. Tech Committee meeting

Sept. – Share and discuss tips/guide at Board meeting and incorporate feedback

Oct. – Send out tips/guide to users

### 3. Improve User Experience - Zoom

<u>Purpose</u>: With the deployment of Zoom for CSMFO meetings, we need to develop a one-page tips/guide on how to use it and include tips based on interviewing users and observing members as they use it.

<u>Progress</u>: A tips/guide outline has been drafted, reviewed by the Committee, data analytics on the use of Zoom has been downloaded and reviewed, Committee members have joined two other committee zoom meetings to observe user experience.

### Timeline:

July – Project team to continue to talk with users and add to the tips/guide

Aug. – Project team to continue to talk with users and add to the tips/guide

Sept. – Review updated tips/guide at the Sept. Tech Committee meeting

Oct. - Share and discuss tips/guide at Board meeting and incorporate feedback

Nov. – Send out tips/guide to users

### 4. Improve User Experience – Polling

<u>Purpose</u>: With the acquisition of polling software, the committee would like to work with the Past President and Career Development Committee to incorporate a user guide in the Chapter Toolkit and promote adoption by chapter presenters, instructors at training courses, and at next year's conference. Also consider using the Guide Book polling functions for the 2020 conference.

<u>Progress</u>: Project team have met several times, demo presented on the Guide Book, Review and test Guidebook at March 7 Tech Committee meeting, used the Poll Everywhere at the July Monterey Bay chapter meeting and in the speaker presentation, developed a three page quick start user guide and a more comprehensive 22 page user guide, and reviewed the two guides at the last technology meeting on July 11, 2019.

### Timeline:

July – Incorporate review comments to the user guide for Poll Everywhere.

Aug. – Coordinate with the Past President and the Career Development Committee on process/timeline.

Sept. – Add user guide to Chapter Toolkit and communicate its addition at the Chapter call and by email to the Chapter leadership

### 5. Database Upgrade

<u>Purpose</u>: Continue to track progress of SMA's membership database and functionality desired by CSMFO. (Initially an attempt was made to develop a custom database system (with software developer, Eldarion) for SMA's use and funds were loaned to SMA for this purpose. This effort proved unsuccessful and CSMFO enrolled in Your Membership for database services. The transition to this new database took place in the months leading up to the 2019 conference registration.)

<u>Progress</u>: Project team has been formed and has report back to the Tech Committee at the last meeting on July 11, 2019. The report demonstrated how SMA was accounting for the loan on SMA's and CSMFO's books based on information previously provided.

### Timeline:

July – Connect with SMA's controller and obtain an update of the accounting Aug. – Evaluate whether Your Membership is meeting the criteria and features CSMFO originally desired in a data base upgrade.

Sept. – Report back to the Board on findings.

### 6. Committee Handbook

<u>Purpose</u>: Produce a reference document, similar to what other committees have, that lays out the committee's focus, goals, and purpose and the responsibilities of the Chair, Vice-Chair and the members.

<u>Progress</u>: Lead and team have been assigned, templates have been provided, a draft was prepared, reviewed by the Tech Committee on June 6 and the Administration Committee on July 11, updated with feedback from both committees and is on the Board's July 25 Agenda for approval.

### Timeline:

July – Recommend to Board for adoption

Aug. – Distribute to Tech Committee members per the handbook.

### **Recommendation:**

Receive and file.

### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Matt Pressey, Technology Committee Chair

Gloriann Sasser, Technology Committee Vice Chair

THROUGH: Administration Committee (July 11, 2019)

SUBJECT: Technology Committee Handbook

### **Background:**

The Committee Handbook is a very helpful document intended to convey general expectations and other information regarding the Technology Committee. New Committee members shall be provided with a copy of the Committee Handbook for initial orientation purposes. All continuing Committee members shall be provided with a copy of this document annually.

The Committee Handbook is organized into two sections. Section One contains standing information on the committee structure, responsibilities and expectations, which is updated as needed. Section Two contains information that is updated annually, such as accomplishments for the past year and goals for the current/upcoming year.

The Administration Committee considered the proposed committee handbook at its meeting on July 11, 2019 and provided edits and feedback that have be incorporated in the proposed handbook.

#### **Recommendation:**

The Technology Committee recommends that the Board approve the attached Technology Committee Handbook.

# TECHNOLOGY COMMITTEE HANDBOOK

### INTRODUCTION

This Committee Handbook is intended to convey general expectations and other information regarding the Technology Committee (Committee). New Committee members shall be provided with a copy of the Committee Handbook for initial orientation purposes. All continuing Committee members shall be provided with a copy of this document annually. Updates will be made as necessary.

This Committee Handbook is organized into two sections. Section One contains standing information which is updated as needed. Section Two contains information which is updated annually.

### **SECTION ONE – STANDING INFORMATION**

### **COMMITTEE STRUCTURE AND ORGANIZATION**

The CSMFO committee year officially kicks off in conjunction with the Annual Conference, which typically takes place in the first two months of the year, and ends with the start of the following year's Conference.

Although time commitments for Committee members may vary significantly depending on assignments, project deadlines, etc., members can expect to generally participate in at least one meeting per month, plus "offline" work to complete projects and assignments in between meetings. The Chair will make his or her best efforts to communicate a realistic expectation for members in terms of estimated time commitments in advance of the Committee year.

### **GENERAL COMMITTEE RESPONSIBILITIES**

As noted in Section III.A.7. of the CSMFO Policy and Procedures Manual, the general responsibilities of the Committee are as follows:

- Enhance the effectiveness and use of technology by CSMFO and its member agencies in exchanging information, increasing productivity and enhancing member service.
- Maintain a CSMFO internet presence and website to enhance membership benefits, provide professional information, establish relevant links and support coordinated training.

- Facilitate information sharing among members.
- Undertake special projects as directed by the Executive Committee or Board of Directors.

Additional relevant general committee information from the Policy and Procedures Manual includes:

### **Appointment and Recruitment**

Under Section III.B. of the Policy and Procedures Manual, "The President shall appoint the Chair, Vice-Chair(s), Senior Advisor(s) and Board Liaison of each committee. Retired members may be appointed to serve as Senior Advisors, but all other committee positions should be held by active municipal members, with the exception that commercial members may serve on Annual Conference Host Committees. To assure broad participation on each committee, the President shall make every effort to have representation from across the state where functionally practical. The Chair shall recruit additional committee members from among the active municipal membership. Each Chair shall advise the Secretary, in writing, of the names of committee members. All committee members are encouraged to attend various meetings and conference calls of the Board of Directors."

Note: Committee Chairs are generally responsible for appointing committee members other than the leadership positions referenced in the paragraph above. In order to adequately represent the geographic dispersion of CSMFO members throughout the state, the Committee Chair shall make his/her best efforts to ensure the Committee has an appropriate balance of members from the north and south, whenever possible.

### **Committee Reports**

As referenced in Section III.C., "The President may request each committee chairperson and facilitators of goals established at the annual planning meeting to provide a progress report on activities. The President may request that these progress reports be made available in time for distribution with the Board agenda packet. A comprehensive annual report is due by each committee chair, goal facilitator and policy committee appointee to the CSMFO Secretary by each January 15th for inclusion in the President's Annual Report."

### **TECHNOLOGY COMMITTEE CHAIR RESPONSIBILITIES**

As noted in the Technology Section of the 2019 Leadership Roles & Responsibilities, it is the role of the CSMFO Technology Committee to maintain and enhance the use of technology in providing services to CSMFO members.

### The Committee Chair should:

- Conduct him/herself at CSMFO functions and in their professional and personal lives in a manner becoming of the CSMFO leadership.
- Be outwardly supportive of decisions made by the majority of the CSMFO Board of Directors, regardless of personal opinions.
- Participate in the annual survey evaluating CSMFO consultants.
- Attend Board of Directors meetings to keep the Board apprised of committee activities.
- Look for ways to utilize technology to enhance CSMFO's ability to provide services or information sharing to or among members.
- Provide direction to staff regarding website updates and necessary maintenance.
- Monitor general membership listserv, notifying Executive Director of any violations that may need to be addressed. Periodically post guideline reminders to the listserv.
- Support the initiatives of the other committees to more effectively and/or efficiently gather and disseminate information.
- Support the Board's strategic objectives and take appropriate steps to complete annual goals by year-end.
- Chair regularly scheduled committee meetings to ensure the work of the committee is completed in an efficient and timely manner.
- Communicate regularly with Executive Director on matters affecting committee activities.
- Submit report on goals to the CSMFO Office for the Annual Report by January 15.

### **TECHNOLOGY COMMITTEE MEMBERS EXPECTATIONS**

- Actively participate in committee meetings and activities.
- Communicate absences to the Committee Chair or Vice Chair.
- Complete assignments thoroughly and timely.

 Vice Chair should actively participate in the monthly Board meetings and attend inperson meetings if possible.

## TECHNOLOGY COMMITTEE STRATEGIC PLAN - GOALS/TASKS & ACTION PLAN

The entire CSMFO management team meets each fall to either develop (or to update) the Strategic Plan that will become effective the following year (or continues to be effective for the following year). These have most recently taken the form of a 3-year plan. General overall objectives are first established by the full group, and then developed are the many steps or action items that implement the objectives, referred to as the "Action Plan." The goals and tasks that make up the implementation of the Strategic Plan are assigned to the standing committee most logical to act on the specific goal/task. The final product is approved by the management team and each committee reports on its status of executing the assigned tasks periodically in CSMFO Board meetings.

The below link is to the most current (2019) and past Strategic Plans, which include specific action items and objectives of the Technology Committee:

### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Grace Castaneda, 2020 Annual Conference Host Committee Member

SUBJECT: Conference Scholarship Policy

### DISCUSSION

The 2020 Annual Conference Host Committee reviewed the current criteria for awarding scholarships for conference attendees. The current criteria is based on financial need, with CSMFO arranging and paying for up to three nights of hotel accommodations, in addition to covering the cost of conference registration. After reviewing the current policy, and learning of the past challenges in determining eligible nights of hotel accommodations and arranging for the accommodations, the Host Committee is recommending revisions to the policy to alleviate the administrative burden while maintaining financial support to scholarship recipients who demonstrate financial need. In addition, the Host Committee looked at ways that align with current organizational goals to further engage students and members who have not attended an annual conference. The recommended changes will revise the current conference scholarship program to include three components:

- Financial hardships
- First-time attendees
- Students

The financial hardship component, similar to past years, addresses members whose agencies cannot or will not send them to the annual conference, and covers the cost of conference registration. However, instead of arranging and paying for their hotel accommodations, the scholarship will be awarded on a cost-reimbursement basis, up to a certain amount per day, and up to a total amount for the conference, with proof of attendance that can be verified through the badge scanning technology. This will maintain the financial support to the awardees, while alleviating the burden on CSMFO staff to arrange for their lodging. This also broadens the financial support to include other expenses awardees may incur, such as travel to/from the conference. The amount, as well as the number of awards, are not being specified in the policy in order to maintain flexibility for the Host Committee year-over-year. The intent is that the specifics will be determined by each year's Host Committee and communicated through the application process.

The first-time attendee and student components are new to the conference scholarship program, and are intended to enhance the experience for municipal members who have not attended an annual conference and to engage students who are interested in municipal finance. The first-time attendee and student scholarships cover the cost of conference registration, and are awarded on a first-come first-serve basis. Additionally, to encourage students to attend and to make up for any expenses they may incur, the student scholarship includes a daily per diem for each day conference sessions are attended. Again, the policy does not specify the number of awards or the amount of per diem, and instead leaves the specifics to each year's Host Committee to determine.

The recommended changes to the conference scholarship policy are included as Attachment 1. The application forms for all three components of the conference scholarship program, with details of the number and amount of awards, are included as Attachment 2. For the 2020 Annual Conference, 10 scholarship awards have been budgeted for financial hardships, 25 for first-time attendees, and 25 for students. The requested budget will be included as part of the budget for the 2020 Annual Conference.

#### RECOMMENDATION

It is recommended that the Board of Directors approve the recommended changes to the conference scholarship policy.

b) Conference Scholarship Policy (Clean)

Attachment 2 – 2020 Scholarship Applications (Draft)

## 2020 Conference Scholarship Application First-Time Attendees

The CSMFO Annual Conference is an outstanding opportunity for education, networking, and professional growth. To encourage new attendees to participate in this unique experience, the CSMFO Board of Directors is introducing the First-Time Attendee Scholarship for the 2020 Annual Conference.

Scholarships will be awarded to the first <u>25</u> applicants. Additional applicants will be added to a wait-list based on the order the application is received. Additional scholarships may be granted at the discretion of the Scholarship Committee depending on funding available.

If you need additional financial assistance, please use the scholarship application for Financial Hardship.

### **Eligibility Requirements**

- Applicants must be a CSMFO member at the time of application. Applicants who join CSMFO during the application process will receive membership valid through December 2020.
- Applicants have never attended a CSMFO Annual Conference before. Attendance at other training seminars or local CSMFO Chapter meetings does not impact eligibility.
- Applicants must submit a credit card valid through at least January 2020. The credit card will be charged
  [\$-set to early bird municipal registration fee] ONLY if the applicant receives a scholarship, and does not
  attend the Annual Conference, unless the recipient contacts the CSMFO office before December 15,
  2019. There is no penalty for withdrawal until December 15, 2019.
- Scholarship recipients may be required to volunteer no more than three hours at the Annual Conference as identified by the Scholarship Committee.

### **Benefits**

- The scholarship covers the <u>full cost of registration</u>. Scholarship recipients or his/her agency are responsible for travel to/from conference, hotel accommodations, pre-conference sessions, and all other incidentals.
- Recipients are invited to kick off their experience at the Welcome Breakfast on Wednesday, January 29, from 7:30 am 8:30 am.
- Scholarship recipients will have the opportunity to participate in CSMFO's mentorship program. Recipients will be paired with a mentor at the Welcome Breakfast.
- Recipients will have the opportunity to network and build connections with other professionals across the state of California.

## 2020 Conference Scholarship Application Financial Hardship

The CSMFO Annual Conference is an outstanding opportunity for education, networking, and professional growth. The CSMFO Board of Directors recognizes hardships faced by agencies and has created the Financial Hardship Application to provide local government members the opportunity to attend the Annual Conference.

Financial Hardship scholarships will be awarded to <u>10</u> applicants on a case-by-case basis. Priority for receiving a scholarship will be given to first-time conference attendees. Additional applications will be added to a waitlist in the event a spot or additional funding becomes available. The application period may be extended at the Scholarship Committee's discretion, if all the scholarships have not been awarded.

### **Eligibility Requirements**

- Applicants must be a CSMFO member at the time of application. Applicants who join CSMFO during the application process will receive membership valid through December 2020.
- Applicants must submit a credit card valid through at least January 2020. The credit card will be charged

# **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Steve Heide, President-Elect

Chair, 2020 Annual Conference Host Committee

SUBJECT: 2020 Annual Conference Registration Rates

#### DISCUSSION

The 2020 Annual Conference Host Committee has been working diligently to prepare for our upcoming Anaheim conference at the Disneyland Hotel in late January. We are anticipating that the 1<sup>st</sup> draft of the full 2020 conference budget will be presented to the CSMFO board at the October in-person meeting.

In the interim, we have reviewed and discussed proposed conference registration rates for 2020 and are recommending increases of roughly 8% for commercial attendees and 15% for government attendees. Our most common paid registration category for commercial attendees, Commercial - Additional Exhibitor, would increase from \$600 to \$650, while the most common government attendee rate, Govt Member – Full Conference Early Bird, would increase from \$370 to \$425.

Commercial rates have not increased in at least the last six years and government rates last increased by \$20, or about 6%, in 2016 with the full conference early bird rate going from \$350 to \$370.

Historically, annual conference attendee rates have been heavily subsidized by commercial sponsorship revenues and exhibitor fees. A cost per attendee analysis was prepared as a part of our current review, comparing 2014 costs to 2019, the last two CSMFO conferences held in Palm Springs. In 2014, costs averaged \$595 per attendee, compared to a \$350 early bird registration rate, for a recovery of about 59% of conference costs. In 2019, costs averaged \$727 per attendee, for a recovery of 48% of costs at the \$350 fee.

In 2016 when the CSMFO conference was last held at the Disneyland Hotel, our cost per attendee averaged \$635. The proposed \$425 rate would recover 58% of the 2019 average cost. We would anticipate the average cost per attendee in 2020 to be higher than in 2019, however, the 2020 costs cannot yet to be determined.

A table setting forth the proposed 2020 conference rates is included below. Included in the table for comparison, are the 2019 conference rates. For illustration purposes, the two yellow highlighted lines in the table represent the most common registration codes, as referenced above.

	Comm Non Member Full Onsite	835	900	65
*Increases of 15% for government & 8% for commercial attendees				

#### **FISCAL IMPACT**

Based on projected conference attendance figures, the proposed rate changes would result in roughly \$85,000 in additional conference revenues.

#### **RECOMMENDATION**

It is recommended that the Board of Directors approve the proposed conference attendee rate schedule as presented for the 2020 CSMFO Annual Conference.

#### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Margaret Moggia, Past President

**SUBJECT:** Chapter Survey Observations and Suggestions

#### **Background:**

Over the past several years, CSMFO has focused on improving the chapter experience through evaluating ways to support the chapters from developing a chapter toolkit, updating processes, and bringing the accounting in house. The chapters are the foundation to CSMFO to connect with our members, engage them at the local level, and share opportunities for professional development, networking and share resources.

In an effort to continue to support the local chapters and the leadership, the Past President surveyed the current chapter chairs to better understand how the chapters are organized and identify where CSMFO can do more to support them.

Listed below are a number of observations regarding meetings, pricing, leadership, outreach and other chapter related questions.

- Generally most chapters meet about 4-6 times a year over the lunch hour. There
  are a few chapters who meet a couple of times a year, and this tends to be on
  the chapters that have recently re-engaged after being dormant for years.
- On occasion, there are two chapters that combine for a meeting and another two chapters whose model is to be combined.
- Most chapters meet over an extended lunch period. One chapter has a longer meeting where there are two speakers/topics with lunch in between.
- At this time, there is only one chapter (Imperial County) with no chapter leadership. Recently Chapter Chairs were identified for Northwest Counties and Desert Mountain.

- Most changes in chapter leadership are organically done. There is not usually a pipeline of individuals ready to serve.
- Chapter resources are available to leadership, and have been helpful to new chapter chairs. Most chairs have used the resources but some may need a reminder.
- Chapter attendance is generally around 30-40 at each chapter meeting. A couple chapters have smaller attendance, and then there is larger attendance at Inland Empire and Orange County chapters.
- Chapter luncheon fee is generally \$20-40. Most have the same price for non-members, and a few chapters increase the price at the door.
- Outreach to new members or students are only occasionally done.
- Planning for chapter meetings is generally done as the year progresses. A few chapters do plan ahead for the full year and share information to CSMFO office to post on the master calendar as the event is to be marketed.
- Topics are generally selected based on current hot topics, based on other chapters, and on occasion from surveys from chapter members. Sometimes vendor requests are selected if they are relevant and not a marketing piece.
- Only a few have utilized the chapter financial support from CSMFO and this is usually for the key speakers.

Generally the chapter leadership feel there needs are being met, but there were a few responses that prompted them to see where more may be done. This also gives CSMFO the chance to consider where we can provide additional support. Here are a few for consideration:

- Consider more regularly scheduled training to chapter leadership: this could be from onboarding new chapter chair or vice chairs from using the chapter toolkit, managing and updating the chapter webpage, and understanding the processes in working with SMA.
- 2. Consider pairing chapter chairs in a mentor-mentee relationship to help the new chapter chairs learn from an experienced chapter chair
- 3. Coordinate the student engagement with the local chapters by providing resources. The local chapters are interested to be more engaged and could certainly support the Student Working Group by identifying local colleges and host students.
- 4. Determine what better ways we can support outreaching to new members and even reaching out to members who have not been engaged.
- 5. Consider roles where local members can support the chapter luncheon that will hopefully see them wanting to take on a leadership role.

- 6. Utilize chapter funding to encourage joint chapter meetings, where feasible, bring in key speakers, support less active chapters
- 7. Encourage planning for the full year to earmark the dates to place on the master calendar and where possible the location and speaker. This allows for more effective planning for other CSMFO trainings, webinars.
- 8. Past Presidents might have an interest in serving in an advisory role for chapter leaders.

Thank you to the Chapter leadership for their responses and more importantly their work at the local level. Also, thank you to the Board Members who attend these meetings and even coordinate them.

#### Recommendation:

For discussion and direction by the Board.

## **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Kate Zawadzki

Administration Committee Chair

SUBJECT: Smith Moore & Associates (SMA) Contract Amendment #5

## **Background:**

CSMFO contracts with SMA for Management Services and Meeting Management Services. The term of this contract extends through December 31, 2021.

The Communications Committee transitioned from the CSMFO Magazine to an online magazine, CSMFO News. The language in the original contract and subsequent amendments with SMA are inconsistent with the current services being provided.

SMA published up to 12 editions of the CSMFO Magazine annually. These services included compiling all articles, images, and content. SMA also managed advertising and created the digital editions of the magazine. Hard copies were printed under the oversight of SMA and mailed to the authors and other members on the distribution list.

SMA will continue to provide publication services for CSMFO News. Services will include distribution of up to 10 emails and 20 articles per month, maintenance of the online page and preparation and distribution of the conference issue of the magazine.

The costs of these services are included in the retainer amount of the SMA contract with the exception of the conference print edition which will be compensated at \$50 per 4-page spread after the first 24 pages. Additional charges of \$75 will be incurred for each email and article requested in excess of the allotment. Any additional print editions will be compensated at \$50 per 4-page spread.

#### **Recommendation:**

It is recommended that the Board of Directors approve the SMA contract amendment #5

# Agreement for Professional Services between Smith Moore & Associates and California Society of Municipal Finance Officers

#### Amendment #5

- **1. Original Contract:** The original agreement was made and entered into on October 22, 2015 by and between The California Society of Municipal Finance Officers ("CSMFO") and Smith Moore & Associates ("SMA") to provide Management Services and Meeting Planning Services for calendar years 2016, 2017, and 2018. Amendment #2 enacted the extension options on that contract, effectively extending it through December 31, 2021.
- **2. Modification of Scope Work:** The Communications Committee recently transitioned from the CSMFO Magazine to an online magazine, CSMFO News. Under the prior scope of work, CSFMO purchased services from SMA to publish up to 12 CSMFO Magazine editions per year including compiling all articles, images, and other content received from the Communication Committee, receiving advertisement requests and publishing the final advertisements. SMA created digital editions that they posted on CSMFO's website and printed hard copies that were mailed to a distribution list (including sending two magazines to each author).

The following modifications to section I, Publication Services, are to update the role of SMA in the publication process.

- Distribute up to 10 emails per month to members
- Publish up to 20 articles per month on CSMFO News
- Maintain and update CSMFO News online page, including posting new content and providing user data
- Produce and distribute the conference issue of the magazine in the Issuu format for an additional fee
- **3. Compensation:** The base costs of services described in Section 2 are included in the existing retainer. The following services are not included in the retainer and would be provided at the additional cost noted.
- Additional emails or articles will be compensated at \$75 each email or each article
- The publication of the "Conference" print-edition magazine will be compensated at a rate of \$50 per 4-page spread after the first 24 pages.
- The publication of any additional print magazine will be compensated at a rate of \$50 per 4-page spread.
- **4. Period of Agreement:** This amendment will be effective August 1, 2019 through December 31, 2021.
- **5. Remaining Provisions of Agreement:** Except as otherwise specifically set forth in this Fifth Amendment, the remaining provisions of the Agreement shall remain in full force and effect.

## **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Joan Michaels Aguilar, President

SUBJECT: Discussion on SMA Sub-Contractor Change and Schedule Special Board Meeting

for Friday, August 16, 2019

## **Background:**

On June 19, 2019, Smith Moore & Associates (SMA) Founder and Chief Executive Officer, Catherine Smith e-mailed a memo notifying CSMFO of an SMA transition related to Executive Director Melissa Manchester. Specifically, Melissa is transitioning from a partner to a contractor status. The notice assured CSMFO that interaction would remain the same, but whenever change takes place, it does raise questions about service delivery. While Ms. Smith was available for the June 27<sup>th</sup> CSMFO Board meeting to address the transition and questions from the Board and members on the call, many Board members were unable to make that meeting.

As a result of feedback via phone call and e-mail, I convened a CSMFO Board Closed Session conference call on July 16 at which all nine members participated. SMA agreements had been provided to the Board, and while specifics of the call will not be shared, unanimous direction was provided to bring an item back to this Board meeting seeking a contract amendment. In reviewing the Agreements for Professional Services, namely the one signed by then President Jesse Takahashi in 2015, Section 9 does identify Melissa Manchester (formerly Dixon) as the Account Manager/Executive Director for CSMFO. A portion of Section 10 addressing Sub-Contractors notes the following:

"If SMA intends to sub-contract any other major services provided to CSMFO, they are required to identify the proposed contractor(s) performing those services and their qualifications in writing to CSMFO prior to engaging sub-contractor. CSMFO retains the right to approve or reject any sub-contractors in their sole discretion, although approval will not be unreasonably withheld."

The desired amendment is meant to gain clarity on who is performing what functions, and this is seen as a material change in the Agreement. With the cancellation of the regularly scheduled meeting in August and the change in meeting date in September, and wanting to have the full

Board available for review of this contract change, a special meeting to take place in August has also been requested. While the Board had preliminarily set a date, an initial consultation with Ms. Smith determined this date was unavailable. At the time of writing this report, the date is to be determined, but could now be August 13.

The Executive Committee held their regular meeting on July 17, and this was an agenda item for discussion. Catherine was available for the call and a summary was shared from the Closed Session and anticipated future action. As follow-up action, a call will take place between Catherine and myself to further discuss Scope of Services. Based on the involvement of the Administration Committee, and knowing they have a regularly scheduled call on August 1<sup>st</sup>, work will be underway by the time of the Board meeting for development of the amendment outlining scope of services, though the action request for said amendment will be voted on officially at this July meeting.

As part of the transition, Catherine has made it clear to me that she is available to discuss any issues that may arise in service delivery. I have requested to have quarterly meetings (phone or in person, since I am local to SMA office) to touch base and it is anticipated that our first meeting will take place in early September. If there are any areas of concern from Board Members, Committee Leadership or others in Leadership, please let me know.

#### **Recommendation:**

The CSMFO Board of Directors provide formal direction for an Addendum related to the recent sub-contractor change as per provision 10 of the original agreement and approve a special Board meeting to review and approve the agreement.

1. Agreement for Professional Services (signed by Jesse Takahashi) from 2015 - electronic

# Agreement for Professional Services between Smith Moore & Associates and California Society of Municipal Finance Officers

The California Society of Municipal Finance Officers ("CSMFO"), a private, non-profit corporation and Smith Moore & Associates ("SMA"), a California corporation, hereby agree that SMA will provide professional services to CSMFO pursuant to the terms of this Agreement for Professional Services ("Agreement").

- 1. **Services**. SMA will provide to CSMFO services at the time, place, and in the manner as described in **Exhibit A**.
- 2. **Payment**. SMA will bill CSMFO and CSMFO will pay SMA for services provided under this Agreement at the time and in the manner set forth in **Exhibit B**.
- 3. **Exhibits**. Exhibits A and B are attached to this Agreement and are by this reference incorporated into this Agreement. SMA shall perform all services set forth in Exhibit A attached hereto.
- 4. **Effective Date**. The effective date of this agreement is January 1, 2016 or the execution of this agreement, whichever occurs first.
- 5. **Duration**. This Agreement will terminate on December 31, 2018, unless extended by written mutual agreement between the parties. The parties agree to review the services provided and the cost to provide the agreed-upon services under this agreement by no later than September 1, 2018 and determine if this contract should be extended for an additional period. Extensions to this contract may be made in one-year increments, with the total extension not to exceed three years.
- 6. **Notice.** Any notices under this agreement by either party to the other may be given by either personal delivery in writing or by mail, registered or certified, postage prepaid with return receipt requested. Notices must be delivered or mailed to the following:

Catherine Smith, President Smith Moore & Associates	Jesse Takahashi, President 2015 California Society of Municipal Finance
700 R Street, Suite 200	Officers
Sacramento, CA 95814	700 R Street, Suite 200
	Sacramento, CA 95814

- 7. CSMFO's Control over Work Product Generated under Scope of Services. CSMFO's Board of Directors retains all discretion and control over the work product that is generated by SMA under the Scope of Services listed below.
- 8. **Extra Work.** CSMFO may request SMA provide additional association services deemed necessary to accomplish, complete or implement its goals and stated mission, but which the parties did not anticipate at the execution of this Agreement and are not listed in the Scope of Services. The exact scope of the additional work and the cost will be mutually agreed upon in writing prior to SMA commencing work.
- 9. Key Personnel. SMA agrees to assign Melissa Dixon as the Account Manager/Executive Director for CSMFO, and Justin Lewis as the Chief Information Officer. Other personnel will be at the discretion of SMA. If for any reason the two individuals named above are unable to continue working with CSMFO, CSMFO shall assist SMA in finding a replacement.
- 10. **Sub-Contractor(s).** SMA agrees to subcontract a portion of the Annual Conference, Weekend Training and Planning Session work to Meetings & Association Management Services (M&AMS) for the duration of this contract, unless and until CSMFO requests a new arrangement. The exact scope of work related to these three events will be determined by contract between SMA and M&AMS.
  - If SMA intends to sub-contract any other major services provided to CSMFO, they are required to identify the proposed contractor(s) performing those services and their qualifications in writing to CSMFO prior to engaging sub-contractor. CSMFO retains the right to approve or reject any sub-contractors in their sole discretion, although approval will not be unreasonably withheld. This approval or rejection requirement does not apply to incidental sub-contracted work such as printing, mailing services, or graphic design consultants.
- 11. **Termination**. This Agreement may be terminated by CSMFO immediately for cause or by either party without cause, upon ninety days' written notice. Upon termination, SMA will be entitled to compensation for services performed up to the effective date of the termination, provided SMA presents an invoice describing

such work completed and expenses incurred, which would require approval by CSMFO. In addition, SMA must immediately turn over all work product and records associated with this Agreement to CSMFO as described in Exhibit A. Final payment may be withheld until all documents have been transferred to CSMFO.

- 12. **Compliance with Laws**. Both SMA and CSMFO will comply with all applicable federal, state, and local laws, codes, ordinances, and regulations in the performance of this Agreement.
- 13. **Taxes**. Except as expressly provided elsewhere in this Agreement, SMA will be responsible for--and the compensation under this Agreement includes--all sales, use, excise, income, employment, property and any other applicable local, municipal, state or federal taxes, and all other governmental fees, taxes, or other governmental charges applicable to the work or employees of SMA.
- 14. **Records**. SMA will maintain all books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services, or expenditures and disbursements charged to CSMFO for a minimum period of three years, or any longer period required by law, from the date of final payment to SMA under this Agreement. SMA will make such records available for inspection or audit, at any time during regular business hours, upon CSMFO's request.

# 15. Insurance Requirements.

- A. General Liability. Both parties agree to maintain general liability insurance in an amount not less than one million dollars per occurrence for bodily injury, personal injury, and property damage.
- B. Professional Liability. Both parties will maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions, whether such error or omission is by the party, or by its directors, employees, sub-contractors, or sub-consultants. The amount of this insurance will not be less than one million dollars on a claims-made annual aggregate basis, or a combined single-limit per occurrence basis.
- C. Workers' Compensation. SMA will maintain workers' compensation and employer's liability insurance for all employees, including those whose primary responsibility is to implement CSMFO's work program, in accordance with state and federal laws.

CSMFO is to be listed as additional insured on all policies and a copy of each policy is to be provided to CSMFO annually. The insurance provided to CSMFO

- by SMA must be primary to any other insurance or liability coverage available to CSMFO. SMA must provide proof of insurance to CSMFO in the form of both certificates of insurance and endorsements before commencing work under this Agreement.
- 16. Indemnification. Each party agrees to indemnify, defend and hold harmless the other party, its directors, officers, employees, agents and volunteers, from and against all claims and actions and all expenses incidental to such claims or actions, based upon or arising out of damage to property or injuries to persons or other harmful acts caused or contributed to by the other party or anyone acting under its direction, control, or behalf. This indemnity and hold harmless agreement will not be applicable to any liability based upon the sole negligence of any single party.
- 17. **Liability**. SMA will be liable for such damages as may be caused by the negligence of SMA and its employees and shall not be liable for damages to the extent caused by the negligence of others. SMA will not be responsible for any loss, damage, or injury, bodily or to property, that may occur at any function held by CSMFO, from any cause whatsoever (excluding the above), prior to, during, or subsequent to the period covered in this agreement.
- 18. **Impossibility of Performance**. This agreement will terminate without liability to either party if substantial performance of either party's obligations is prevented by an unforeseeable cause reasonably beyond that party's control. Such causes include, but are not limited to: acts of God; acts, regulations, or orders of governmental authorities; fire, flood or explosion; war, disaster, civil disorder, curtailment of transportation facilities, or other emergency making it illegal, or otherwise impossible to provide the services or to hold the conference.
- 19. Work Product. All "Work Product", which includes, but is not limited to, any report, plan, data, map, design, drawing, estimate, model, chart, report, study, software program, specification, survey, photograph, memoranda or any type of document, material or other work of authorship prepared or caused to be prepared by SMA, its employees, agents and subcontractors for CSMFO under this Agreement, will become "work for hire" and the exclusive property of CSMFO. To the extent such Work Product may not be "work for hire" under applicable law, SMA hereby assigns CSMFO all rights, title and interest in and to all of SMA's rights for such work. SMA agrees to execute and deliver to CSMFO such instruments of transfer and take such other action that CSMFO may reasonably request, including without limitation, executing and filing at CSMFO's expense, copyright applications, assignments, and other documents required for the protection of CSMFO's rights to such materials.

- 20. **Use of Work Product**. CSMFO will have the sole right to use any Work Product at its discretion without further compensation to SMA or to any other party. SMA will provide such documents and materials to CSMFO, within 15 days upon written request. SMA agrees not to use Work Product developed under this Agreement in any forum or media without CSMFO's prior written consent.
- 21. **Annual Review / Evaluation**. CSMFO will make an annual review and evaluation of the services provided under this contract. Said review shall be made at the Board meeting scheduled for September/October of each year. SMA shall prepare a written status report on their services provided during the prior twelve months for review.
- 22. **Governing Law**. California law will govern this Agreement and all related matters. Any suit or action by either party will be brought in Sacramento County.
- 23. **Amendment**. This Agreement may only be amended or modified by a written agreement signed by CSMFO and SMA.

#### 24. Mediation.

- A. Mediation. Should any dispute arise out of this Agreement, the parties will meet in mediation and attempt to reach a resolution with the assistance of a mutually acceptable mediator. Neither party may file a legal action without first meeting in mediation and making a good faith attempt to reach a resolution. The costs of the mediator, if any, will be shared equally by the parties. If a mediated settlement is reached, neither party will be deemed the prevailing party for purposes of the settlement and each party will bear its own legal costs.
- B. Mediator. If the parties cannot agree upon any single mediator, each party will designate a representative to serve on a three-person mediation Board. The representative should be a local government official, not presently serving SMA or CSMFO in any official capacity. The two representatives will then select a third mediator to serve on the mediation Board. The mediation Board may determine the means in which the dispute is to be resolved.
- C. *Litigation*. If the dispute remains unresolved after mediation, either party may pursue a resolution in court.
- 25. **Attorneys Fees**. If a party brings any court action, including an action for declaratory relief, to enforce or interpret the provisions of this Agreement in a court of law, the prevailing party is entitled to recouping reasonable attorneys fees, including court costs, expert witness fees and discovery expenses, in addition to

- any other relief to which the party may be entitled. Such fees may be set by the court in the same action or in a separate action brought for that purpose.
- 26. **Assignment**. Neither this Agreement, nor any duties or obligations under this Agreement, may be assigned by SMA without the prior written consent of CSMFO.
- 27. **No-Waiver**. The waiver of any breach or default of a specific provision of this Agreement does not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.
- 28. Validity. The invalidity in whole or in part of any provision of this Agreement will not void or affect the validity of any other provision of this Agreement.
- 29. Entire Agreement of the Parties. This Agreement represents the parties' final mutual understanding. It replaces and supersedes any prior agreements, communications, and understandings, whether oral or written.
- 30. Counterpart Execution. This Agreement may be executed in counterparts, and recorded with counterpart original signature pages; and when so executed by all Parties, each such counterpart will be an original document.

#### **EXHIBIT B**

# PAYMENTS, REIMBURSEMENTS AND COMPENSATION

CSMFO will pay SMA according to the following provisions:

1. **Overall Payment**. CSMFO will pay SMA for providing the outlined association services for an amount not to exceed \$180,000 for the 2016 calendar year, plus a 3.5% cost of living adjustment for calendar years 2017 and 2018.

It is agreed that any commissions' payable from hotel vendors upon the completion of the conferences covered by the terms of this contract be payable to the subcontracted meeting planner.

It is further agreed that CSMFO will pay to SMA a sum of \$75 per registered exhibitor, \$10 per sponsor/exhibitor attendee, \$2,000 per golf tournament, \$1,000 per tour and \$500 per fun run or other activity for the conferences covered by the terms of this contract. Should the volunteers assume significant portions of the workload for these additional activities, SMA may waive these fees.

With regard to the Annual Conference, it is understood that the Executive Director and Meeting Planner will be in attendance on-site, and that CSMFO shall reimburse for travel and lodging for those two individuals as well as sufficient additional staff to allow for one staff person per 100 registrants.

With regard to the monthly publication, this contract fee includes services for a publication of up to twenty (20) pages monthly. Should an issue exceed twenty (20) pages, SMA will bill an additional \$500 per additional four-page spread. If SMA's services regarding the publication are expanded to include interviewing or photographing subjects, those services will be billed at the prevailing hourly rate.

- 2. **Monthly Payment**. CSMFO will make equal payments at the end of each month. SMA will bill CSMFO on the 15<sup>th</sup> of each month for services rendered, with payment due at the end of the month.
- 3. **Reimbursement of SMA Expenses**. CSMFO will reimburse SMA for additional direct expenses to the extent they are not already included as a part of the annual services contract (conference call line, postage, printing, stationery, travel). SMA will provide supporting documentation for these expenses to CSMFO for reimbursement payment. Expenses not specifically documented will not be reimbursed without the prior written approval of the CSMFO Board.
- 4. **Invoices**. SMA will submit reimbursement invoices to CSMFO not more often than once per month. Invoices will contain the following information:

- A. *Identification and Dates*. Serial identification of monthly bills and the beginning and ending dates of the billing period.
- B. *Credits.* Amounts to be credited, if any, will be subtracted from the balance owed.

CSMFO will pay all undisputed invoices presented by SMA within thirty (30) days of the receipt of such invoices.

#### **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Laura M. Nomura, CPA

Career Development Committee Chair

SUBJECT: Award of Contract with Irwin Bornstein, CPA for Instructor Services

#### **Discussion:**

Susan Mayer who has been conducted the Intermediate Governmental Accounting (Intermediate) Course for CSMFO for many years retired from teaching this past June. The Intermediate course is one of the most popular classes offered by CSMFO, with over 300 students participating each year. The course provides valuable, practical information to individuals using real-life scenarios and interactive discussions.

Susan Mayer owned the instruction materials for the course and with Board's approval CSMFO purchased the materials before her retirement. In reviewing the Intermediate course materials and comparing the materials to the Beginning Governmental Accounting (Beginning) course, we found a lack of flow between the two courses. The Beginning course is geared towards teaching basic accounting theory and other beginning accounting principles, whereas the Intermediate course appears to gear towards financial reporting and audit more so than accounting. Now that we are transitioning instructors, the Career Development Committee (CDC) believes this is a good time to evaluate the instruction materials to ensure the courses are aligned with an appropriate title and course description.

At the past CSMFO conference, the committee reached out to many retired finance directors regarding interest in teaching the course. Irwin Bornstein, former Assistant City Manager/Director of Administrative Services for the City of Mission Viejo, expressed interest in teaching the Intermediate course. Irwin will be a strong instructor for the Intermediate course with his vast experience as a practitioner for more than 30 years and his easy-going demeanor.

The CDC has worked with Irwin in developing a plan for transition of the course. We hope to be able to be able to bring back the Intermediate course in October with a refresh of the title and

materials. Mary Bradley, Senior Advisor and I discussed terms with Irwin. His contract proposal is as follows:

- **Term:** September 1, 2019 and ending August 31, 2020, with a two-year extension upon mutual agreement between CSMFO and Irwin Bornstein;
- Scope of Work-Consultant:
  - Conduct courses as scheduled by CSMFO and the Consultant on Intermediate Government Financial Reporting
  - o Prepare presentation and handout materials for all such courses scheduled
  - o Perform on-site registration services for such courses
  - Deliver sign-in sheets for courses to CSMFO staff for preparation of CPE credit and invoicing of walk-in registrants
  - o Present invoice for services within 30 days after completion of each class.
- **Compensation:** \$2,500 per Intermediate Course, plus reimbursement for reasonable travel and lodging expenses in conjunction with a scheduled course.
- Course Scheduling: CDC is responsible for scheduling the courses in advance by August 2019 for calendar year 2020. The CDC will work with the consultant to develop an annual training calendar by December 31 of each year for the following calendar year.
- Course Administration: Smith Moore and Associates (SMA) staff will distribute
  evaluations after each course and make them available to the CDC for review. SMA
  staff will also perform advance registration, duplication and delivery of Consultantprepared written course materials to course site and other required duties under
  Amendment No.1 to the SMA Service Agreement.
- Additional Services: Not to exceed \$2,500 one-time compensation for update of slides and other course materials, billed hourly at \$100 per hour. The work shall be completed no later than 30 days prior to the first scheduled course.
- **Termination of Agreement:** CSMFO or consultant can terminate agreement with at least sixty (60) days' notice.
- Ownership of Documents: CSMFO will own all materials, including materials purchased from the previous instructor and any additions or changes produced by the Consultant.

#### **Recommendation:**

It is recommended that the CSMFO Board of Directors:

- 1) Award a contract to Irwin Bornstein, CPA for Instructor Services; and
- 2) Direct the Career Development Committee to work with the Administration Committee to develop a contract for this work using terms outlined in this report.

Dedicated to Excellence in Municipal Financial Management

# **CSMFO BOARD REPORT**

DATE: July 25, 2019

FROM: Laura M. Nomura, CPA

Career Development Committee Chair

SUBJECT: Contract Award for Administration Services for the CSMFO Webinar Program

#### **Background:**

Don Maruska (Don) has been providing services relating to CSMFO's "Emerging Issues and Other Topics" webinar series (formerly bridge calls) since the coaching program's inception in 1997, in addition to providing other support services to the Career Development Committee (CDC). The webinar series has organically evolved over time. Ultimately, the program has been wildly successful with webinar attendance reaching 3,894 for 2017 and we are tracking increased participation for 2018. Don has been a significant catalyst and driver of the success of this program. Don is providing one final year of support for these services through December 31, 2019.

As the committee analyzed the services provided by Don Maruska, we determined that the transfer of services to a new firm(s)/individual(s) will not be easy and straightforward. Once as simple as a bridge call, the program has developed into a very professional, administrative, technology driven webinar series developed and arranged by an individual who has the intellect to understand a broad range of topics and also the charisma to carry out the webinar keeping the audience engaged and interested. Working with Don requires minimal work by the CDC, mainly webinar idea generation and suggested participants. Don handles everything else from start to finish.

In order to identify possible consultants with whom CSMFO could successfully transition this program, the Board approved having Don identify all the key responsibilities that he performs from start to finish to execute a successful webinar, as well as the skills and expertise needed to handle each area. In addition, he included the many other areas he has contributed as part of his services over the years to CSMFO. For the purposes of this project, the CDC focused solely on services necessary for succession of the webinar program. Other areas, such as the coaching program, will be evaluated separately.

After reviewing the key responsibilities outline prepared by Don, the CDC thought that a combination of several providers would be necessary to provide the services needed to successfully continue CSMFO's coaching webinar program as it related to project

management/administration; webinar technology management and webinar moderator(s). However after more contemplation and discussion, the Committee opted to instead approach the Government Finance Officers Association (GFOA) about partnering with them to possibly produce our webinars. GFOA has a long-standing webinar program that is administered by their Research and Consulting Center in Chicago, IL.

After discussions with Mike Mucha, Director of the Research and Consulting Center, the Committee believes there are many benefits to entering into a partnership with GFOA:

- GFOA and CSMFO both have strategic objectives to promote excellence in state and local government financial management, including ongoing professional development of public finance leaders;
- GFOA currently is leading a significant initiative to work more closely with state organizations on programs and positions California is their largest State association representing 20% of their membership therefore they have a strong interest in partnering with CSMFO;
- GFOA has a proven track record of providing successful webinars to its members and has staff and technology resources readily available to begin providing services January 1, 2020; and
- GFOA is a stable, large organization with a department and resources dedicated to providing professional webinar services which should provide continuity for the CSMFO webinar program well into the future. This includes providing CSMFO with a designated project manager that will work directly with the CDC to ensure consistent management and execution of our program.

#### GFOA Proposal:

Based on the above factors, the CDC provided GFOA with the listing of key responsibilities as outlined by Don for providing webinar services and requested that they provide a proposal for these services. GFOA prepared a Proposal for Administration for CSMFO Webinar Program dated July 10, 2019 (Attachment 1). Key elements to their proposal is as follows:

- CSMFO and CDC will retain editorial content and control over topics, presentations, speakers, etc. GFOA will support the CDC to identify topics (when necessary), secure presenters, set dates, times and agendas;
- GFOA will provide the staff resources and technology in order to plan and prepare for webinar delivery; produce and moderate the webinar; and complete post webinar production and follow up as outlined in their proposal;
- With GFOA having their own webinar series, in the event that topics overlap and GFOA believes that a combined webinar would be beneficial to GFOA's members, with approval from CSMFO, GFOA may offer the webinar to GFOA members. In this circumstance, the webinar will remain free to CSMFO members and a mutually agreeable credit against the charge for the webinar will be negotiated between CSMFO and GFOA to recognize the dual nature of the session;
- For any webinar developed for CSMFO, GFOA reserves the right to offer a similar webinar to GFOA members after the CSMFO webinar. In this event, no materials from the CSMFO webinar will be utilized without the consent of the CSMFO webinar presenters that prepared the materials; and

• GFOA understands that CSMFO has a relationship to share training with Oregon, Alaska, and Washington. If CSMFO is interested in expanding this to other states, any decision on expansion would be a joint decision by GFOA and CSMFO.

## GFOA Pricing and Proposed Terms:

GFOA understands that CSMFO requires development and administration of the webinar program and that all webinars are not the same and will not take the same level of effort to execute.

The proposed pricing identifies two different levels of webinar and sets pricing based on the expected effort required to administer each.

Туре	Description	Estimated Hours	Cost per Webinar*
Pre-Developed Webinar (6-8 per year)	GFOA will administer     webinar where CSMFO has     identified topics and     description and presentation     materials have been     previously developed for a     different event.	10	\$2,500
New Webinar (2-4 per year)	GFOA will work with presenters to identify an agenda, develop materials, and deliver training.  Jost in \$250/bour Prints for each agent.  The state of \$250/bour Prints for each agent.	20	\$5,000

<sup>\*</sup> Note: GFOA's rate for this project is \$250/hour. Pricing for each webinar is based on a fixed fee calculated using an estimate of hours. Pricing includes cost for WebEx.

Based on the above pricing, the CDC estimates a total annual cost for the webinar program to be a maximum of \$40,000. With this being the first year of services, GFOA requests the right to discuss with CSMFO adjusting pricing should the estimated hours not be in line with actual time involved for these services.

GFOA and CSMFO recommend a three year contract beginning January 1, 2020 with an option to extend two additional years. Proposed pricing is as follows (includes assumption contract will be extended):

Year	Maximum Contract	Price Increases
January 1, 2020	\$40,000	-
January 1, 2021	\$40,000	-
January 1, 2022	\$42,000	5%
January 1, 2023	\$42,000	-
January 1, 2024	\$44,100	5%

Contract language would include a termination clause that would require GFOA to provide 6 months' notice for termination of contract.

#### **Recommendation:**

It is recommended that the CSMFO Board of Directors:

- 1. Award a contract to the Government Finance Officers Association for Administration of the CSMFO Webinar Program;
- 2. Direct the Administration Committee to work with the CDC Chair to develop a contract for this work using the scope and fee outlined in this report and the attached proposal;
- 3. Direct the CDC to present the draft contract to the appropriate GFOA representatives for feedback and then request any required changes be made by the Administration Committee; and
- 4. Direct the Career Development Committee to provide quarterly progress updates to the Board on the transition of services, webinar participation statistics and feedback received on quality of webinar program administered through GFOA.

Laura Nomura Chair, Career Development Committee **CSMFO** 

Dear Laura,

The Government Finance Officers Association (GFOA) is pleased to present this proposal to the California Society of Municipal Finance Officers (CSMFO) for administration of CSMFO's webinar program.

We look forward to the opportunity to partner with CSMFO on this initiative and feel there are many benefits for both GFOA and CMSFO to join and collaborate on this. I look forward to future discussion and feedback on this proposal.

Sincerely,

Michael J. Mucha

# **About GFOA**

The Government Finance Officers Association (GFOA) is the premier association for public sector finance professionals in the United States and Canada. Founded in 1906, GFOA currently has over 20,000 members that look to GFOA as the gold standard for identifying, developing, and communicating leading practices in government management. As a non-profit organization, GFOA's mission is to promote excellence in state and local government financial management. GFOA accomplishes this mission by identifying and developing policies and practices and promoting them through education, training, consulting and leadership.

GFOA's Research and Consulting Center (RCC) is nationally recognized for its comprehensive analytical and advisory services, as well as for research on issues specific to state and local governments' financial, human resource, procurement, payroll and operational management. Since beginning operations in 1977, the RCC has assisted hundreds of cities, counties, public utilities, and other forms of government to create best practice solutions to meet their unique challenges. In addition, RCC staff plans, coordinates, and provides training to GFOA members as part of our national training, webinar, conference, and pre-conference programs.

# **Background Information**

GFOA understands that CSMFO has a well-established and highly regarded webinar training program that is relied on by finance officers across California (and other states) for ongoing professional development.

GFOA also understands that CSMFO's current provider, Don Maruska & Company, Inc., has decided to conclude service to CSMFO effective December 31, 2019, and this presents an opportunity for another provider to continue CSMFO's program.

Each year, the webinar program includes 8-10 sessions. Sessions are 90 minutes in length and provided free for CSMFO members. Additional background information and program requirements have been included in the scope of work listed below.

# **Scope of Work**

GFOA has reviewed the scope of work provided by CSMFO and the requirements to administer the webinar program. Below is are those requirements with additional GFOA comments related to proposed services.

- 1. Identify Topics, Secure Presenters, Set Dates, Times and Agendas
  - a. Work with Career Development Committee (CDC) and CSMFO leaders to identify desired webinar topics.

GFOA will take direction from the CDC and CSMFO leaders to identify topics. Once topics are identified, GFOA will provide input and

- recommend speakers based on GFOA's connections within California and throughout the United States, as needed.
- b. Capture essence of topic and translate into specific webinar questions and post-webinar discussion questions.
  GFOA will serve as moderator for webinar sessions and will assume all responsibilities related to moderating the webinar. CSMFO will provide a "California voice" as a color commentator for the session.
- c. Review CSMFO, League, and other schedules to identify desirable dates and times and avoid conflicts.

  GFOA proposes to identify all webinar dates as far in advance as possible, but we realize that a full list of webinars may not be available until after the CSMFO conference or until speaker availability is known.
- d. Attract and secure presenters (including any color commentators, as needed) with information about the opportunity and its requirements.

  CSMFO will identify presenters and GFOA will invite and work with any presenters.
- e. Finalize Agenda and program description.

# 2. Plan and Prepare for Webinar Delivery

- a. Provide detailed preparation emails to presenters with guidelines for successful webinar presentations and use of webcams (optional), schedule for practice webinar and advance delivery of draft PowerPoint presentations, and due dates for 2-3 paragraph biographies, jpeg headshots, and CSMFO-required releases.
- b. Use GoToWebinar (GTW) or equivalent tools to set up registrations for the webinars and to gain registration links needed to announce the webinars. GFOA users WebEx to administer webinars and would propose using WebEx on CSMFO webinars. GFOA is proposing a dedicated webinar link for CSMFO webinars.
- c. Create webinar sessions on Granicus to post Agendas that then appear at the "Agendas & Archives" tab of <a href="www.csmfo.org/training/webinars">www.csmfo.org/training/webinars</a>. GFOA assumes that CSMFO will provide GFOA access to Granicus and ability to complete task.
- d. Submit announcements for webinars to CSMFO members email list and send notice to CSMFO staff to post on the CSMFO calendars.

  If GFOA does not have access to the email list, GFOA will rely on CSMFO staff to provide required announcements.
- e. Conduct practice webinar with presenters to train them on the unique requirements for successful webinars (different from the standup conference style presentations that they know); acquaint them with the GTW tools for presenters; practice segments of the webinar; discuss desired modifications to the presentations to enhance learning value; request relevant illustrations, sample policies, resources, and punchlists to include in the Agenda packet; invite input on polling questions; and confirm details for preparation and submission of final presentations and date for delivery.

## GFOA will conduct one practice session for each webinar.

- f. Follow up with presenters as needed to ensure timely submission of final presentations.
- g. Receive and review final presentations to ensure functionality for webinars.
- h. Prepare polling questions (6 per webinar) and insert these questions and
- i. CSMFO slides with title, introductory material, and closing slides in the final PPT.

GFOA assumes that CSMFO will provide any required CSMFO material (template, logo, etc.) to include in the slides.

- j. Load polling questions into the GTW polling tool.
- Update post-webinar surveys on GTW as needed for the topic and CSMFO's current feedback interests.
- I. Integrate final PPT with the agenda and convert to PDF and post in Agenda on Granicus one day in advance of the webinar.
- m. Add final Agenda packet to "Handouts" on GTW.
- n. Update GTW email reminders to note availability of Agenda packet.
- o. Send final Agenda PDT to presenters with reminder for check in 30 minutes before the start of the webinar.
- Respond to questions about the webinar from CSMFO members and registrants.

#### 3. Produce and Moderate Webinar

- a. Welcome presenters logging in 30 minutes before the start time to address any technical issues, engage with GTW audio controls, fire up webcams (if utilized for the webinar), and do sound checks.
- b. Start broadcast informally in "Sharing" mode; check for any problems in advancing the slides; remind attendees about how to access the Agenda packet with presentation materials; and use of Question function to submit questions and comments.
  - GFOA will provide instructions on tools available within WebEx. Some features may not be 100% consistent between GTW and WebEx.
- c. Check audience view and monitor Dashboard.
- d. Begin GTW recording.
- e. Begin formal webinar session with motivation about the importance of the topic, introduction to presenters and what they will cover, etc.
- f. Shift presentation controls and webcams (if used) among the presenters as appropriate.
- g. Introduce polling questions and display results.
- h. Monitor questions from audience and raise them at appropriate times in the webinar.
- i. Address technical issues that may arise from presenters or audience members.
- Conclude the webinar with quick summary points from the presenters and concluding notes from moderator (including request to complete postwebinar survey and announcement of upcoming webinars).

## 4. Complete Post Webinar Production and Follow Up

- a. Convert GTW recording file into a Granicus-compatible mp4 file.
- b. Prepare and upload GTW recording onto Granicus system for archiving.
- Download final Registration, Attendee, and Survey Reports for the webinar from GTW.
- d. Prepare summary sheet of Polling Results.
- e. Create combined PDF with Agenda packet and Polling results and post with recording on Granicus system to complete archive.
- f. Finalize text of follow up emails to include link to the archived recording and Agenda packet for distribution through GTW to attendees and absentees.
- g. Review Attendee Report and forward to CSMFO staff with instructions on details for CPE description and CPE certificates and data to determine eligibility.
  - GFOA assumes that CSMFO will administer CPE for these sessions. GFOA will complete tasks listed above, but CSMFO will be responsible for CPE for the session.
- h. Review Survey Report and summarize statistics on rating and compile suggestions for future webinar topics and requests to enhance the CSMFO Coaching Program.
- i. Respond to post-webinar questions from CSMFO members and registrants about the webinar.
- j. Prepare thank you email to presenters and CSMFO leaders with key statistics and information from the webinar.

# **Relationship to GFOA Webinar Program**

GFOA administers its own webinar program and expects to utilize this expertise and experience to enhance the CSMFO program. For topics requested by CSMFO where GFOA has provided similar webinars, GFOA may suggest speakers, agendas, and descriptions from the GFOA webinar to the CDC for consideration. In the event that topics overlap and GFOA believes that a combined GFOA and CSMFO webinar would be beneficial to GFOA's members, with approval from CSMFO, GFOA may offer the webinar to GFOA members. In this circumstance, the webinar will remain free to CSMFO members and a mutually agreeable credit against the charge for the webinar will be negotiated between CSMFO and GFOA to recognize the dual nature of the session.

For any webinar developed for CSMFO, GFOA reserves the right to offer a similar webinar to GFOA members after the CSMFO webinar. In this event, no materials from the CSMFO webinar will be utilized without the consent of the CSMFO webinar presenters that prepared the materials.

GFOA understands that CSMFO has a relationship to share training with Oregon, Alaska, and Washington. If CSMFO is interested in expanding this to other states, any decision on expansion will be a joint decision between GFOA and CSMFO.

# **Pricing**

GFOA understands that CSMFO requires development and administration program and that all webinars are not the same and will not take the same level of effort to complete.

The proposed pricing identifies two different "levels" of webinar and sets pricing based on the expected effort required to administer each.

Туре	Description	Estimated Hours	Cost*
Pre-Developed Webinar (6-8 per year)	GFOA will administer     webinar where CSMFO has     identified topics and     description and presentation     materials have been     previously developed for a     different event.	10	\$2,500
New Webinar (2-4 per year)	<ul> <li>GFOA will work with presenters to identify an agenda, develop materials, and deliver training.</li> </ul>	20	\$5,000

<sup>\*</sup> Note: GFOA's rate for this project is \$250/hour. Pricing for each webinar is based on a fixed fee calculated using an estimate of hours. Pricing includes cost for WebEx.
